## REJUVENATING BODY WRAPS & POLISH

### Detoxifying Body Wrap with Natural Dead Sea Mud \$95

Natural Mud from the Dead Sea with high salt and mineral content helps remove toxins and impurities from the skin and has a tightening effect.

### Detoxifying Slimming Wrap \$95

Slimming wraps is designed to target resistant fat area such as hips, belly, thighs, and arms. Presoaked enzyme bandages applied to the one desired area for quick slim treatment for 30 minutes and client relaxes in the Infrared Sauna.

### Cellulite Body Firming Wrap \$95

Presoaked cool caffeine bandages applied to the desired area. The bandages produce simultaneous warm and cold sensation leading to skin firming and toning together with the cellulite and adipose tissue treatments.

### Active Contouring Body Wrap with French Blue Clay \$110

Clay is the oldest natural medicine. It contains many organic and non-organic substances required for the proper functioning of the body-flint, nitrogen, calcium, magnesium, etc. Clay acts as an excellent absorber of impurities. Can be used with or without heat therapy. Combining clay applications with heat therapy is an excellent way to cleanse the skin, improve skin texture as well as correct weight gain and cellulite. Clay applications are effective in cases of joint and back pain, skin irritation and allergy or simply to relax and detoxify after a long day.

### Full Body Polish -Best Spa Product \$85

Envelope your senses in nature's luxury and be transported to exotic locales. This exotic treatment starts with a gently cleansing polish from head to toe. The gentle scrubbing action activates circulation while gently cleansing, and removing dead cells and blesses the skin with tropical scented softness. The coconut body toning gel, with its characteristic refreshing scent, tightens and evens body contours while intensively moisturizing the skin. An invigorating body lotion completes the treatment and leaves you alert and refreshed.

### Chocolate Slimming Body Wrap \$120

Lose Inches while indulging in the luxury of chocolate! This treatment is meant to reinvigorate the harmony of body and soul. Decadent chocolate softens, soothes, and is loaded with antioxidants. A delicious way to nourish and pamper your skin, while slimming your body contours.
